Interests of the ICP Holder in the ICPs will be recorded by the Central Depository in accordance with the Depository and Paying Agency Agreement but, notwithstanding such interests, the Issuer will treat the holder of the Global Certificate as the absolute owner of this Global Certificate, free of any equity, set-off or counterclaim on the part of the Issuer against the original or any intermediate holder of such Global Certificate (whether or not the ICPs represented by such Global Certificate shall become overdue and notwithstanding any notation of ownership or other writing thereon or any notice of previous loss or theft of such Global Certificate) for all purposes save as otherwise herein provided in relation to the Global Certificates and, except as ordered by a court of competent jurisdiction or as required by applicable law, the Issuer shall not be affected by any notice to the contrary. The Central Depository will credit the respective amounts of the ICP Holder's interest to the account of such ICP Holder. Save for any manifest error, any statement by the Central Depository certified by a duly authorised officer of the Central Depository shall be conclusive as to the title of any interests in the ICPs referred to in such statement. Transfers of such interests will be subject to compliance by the transferor and the transferee with the terms of the Depository and Paying Agency Agreement. Any transfer of interests in the ICPs shall be subject to the Issue/Selling Restrictions contained in and endorsed on the Global Certificates.
